The Wiltshire Bobby Van – Group Security Talk Booking Form

Group talks on security from The Wiltshire Bobby Van Trust normally last an hour, which includes Q&A time. All that is required is a table for the display of security items which will be covered in the talk.

The speaker will happily take attendee contact details to arrange individual home security visits for those who fall within our remit.

Although we do not charge a fee, we are a charity so every penny helps us to continue to do the work we do across the county, therefore we ask for a donation. This can be given to the speaker on the day (cash or cheque to: The Wiltshire Bobby Van Trust) and they can provide you with a receipt.

To book a talk, please provide the information below and return by post or email to the address above. We will then contact you to confirm availability and the speaker.
